

Area XI – North Shores Division – San Diego

To enhance and protect the benefits of retired educators

Division 78

Feb. 10, 2010

The California Retired Teachers Association will give \$200 grants to teachers in the San Diego Unified School District who have taught at least three years. We remember how difficult it is to do a good job of teaching when you have a limited budget to accomplish your goals.

The money is to enhance or enrich classroom learning experiences. The grants will be awarded during the month of April, 2010.

If you would like to apply for one of the “Teacher Grants”, please present your idea(s) on the application below and send it to Judy Ascher Parry, 2237 Froude St., San Diego, CA 92107, by March 19, 2010

If you have already received a grant from CalRTA, please wait two years before reapplying.
